THE ALPHABETICAL LIST OF NAMES of citizens, business firms and corporations [illegible]

THE CLASSIFIED BUSINESS DIRECTORY commences at page 1289, and exhibits the various commercial, manufacturing and professional callings, [illegible] appropriate to the class of industry or profession followed.

## ADVERTISING WINNIPEG

An important function of the Directory is to set forth the characteristics and advantages of the city as a place of residence, as a business location, as an industrial site, [illegible] The Directory is sent to [illegible] working in every part of the world, and by reason of its broad and comprehensive [illegible] of the directory in the directory libraries where they are readily available for reference use by the public. There they serve as perpetual advertisements of Winnipeg, for business men the country over realize that the City Directory represents the community as it really is.

For many [illegible] for the use of the public [illegible] reference to the books in this library, information for almost any business or person in the United States or Canada may be obtained.

Through the exchange of directories with the various directory libraries throughout the United States and Canada and [illegible] the Winnipeg Directory is found in every country and serves as a lasting advertisement for our city.

The publishers take this opportunity of thanking the [illegible] for valuable assistance rendered in the way of furnishing information, [illegible] and to the business men and firms [illegible] for their kindness and progress, [illegible] business and professional men for support given in the way of patronage.

## POPULATION 301 513

The Dominion Government census of 1931 gave the population of the city of Winnipeg [illegible] and the actual number appearing as the result of [illegible]

The Directory contains [illegible] names in the Alphabetical [illegible] and for women who are [illegible] beyond business hours, [illegible] names of all proprietors, employees or [illegible]

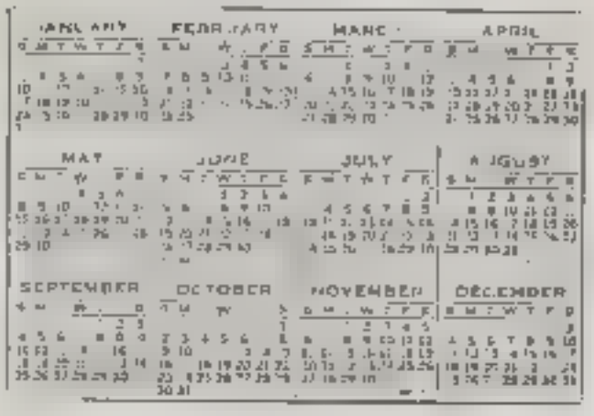

Based upon the names contained in the pages of this book and with due consideration for [illegible] Winnipeg is 301,513.

**The Directory is the Common Intermediary between Buyer and Seller**

# More than ninety per cent. of all advertising mediums are discarded before they're a year old

After the new ones come out your advertisement in the directory is still good, for old directories are seldom discarded while they hold together. Years later many of these directories will still be in active use. Your advertisement is still in service
